SMART DIALER LTE Voice

NEW GENERATION 4G LTE EMERGENCY COMMUNICATOR for ELEVATORS

VOICE COMMUNICATION. ONLINE REMOTE SETUP, MONITORING AND NOTIFICATION. CERTIFICATE EN 81-28.

Ladies and Gentlemen,

I would like to introduce you to our new **4G LTE** latest generation communicator **SMART DIALER LTE VOICE** for two-way voice communication between a passenger stuck in the elevator car and the maintenance and repair company.

Advantages and functionalities of the device:

- Compatible with any type and brand of elevators.
- Possibility of individual setting according to preferences or legal requirements in each continent, country or elevator company.
- Universal **4G LTE** module functioning worldwide.
- Five emergency telephone numbers of the elevator company.
- Easy to install. Small dimensions: 74mm x 64mm x 28mm and weight 90g, built-in speaker and battery backup power. External microphone (cable 1m) and antenna (cable 3m).
- Quick and easy setup and emergency notification can be done in 3 ways:
 - Via PC and the **FREE Smart Dialer Setup Software**.
 - Via mobile smartphone or computer **ONLINE**
 - Via **SMS**.
- Certified according to standard **EN 81-28:2022**.
- Fast automatic adjustment according to standard **EN 81-28:2022**.

- Automatic report and activation proving the working state of the device in a certain period of time (EN81-28:2022).
- Outputs for connection to yellow and green light. Audible signaling (EN81-28:2022).
- **FREE MONITORING** of unlimited 4G SMART DIALER LTE VOICE devices.
- EN ISO 9001: 2015 certificate.
- Notified: RED directive 2014/53/EU CE **CE 2787**

ADVANTAGE FOR THE INSTALLATION COMPANY: After the initial installation of the device, **ONLINE REMOTE** reprogramming and adjustment is possible. Also, it is possible to check the status of external power, battery, emergency button in the elevator car, alarm status, yellow and green light, as well as the additional **INPUTS** and **OUTPUTS** of the device without the need for a technician to come to the site, where it is installed. **THIS SAVES A LOT OF TIME AND ADDITIONAL COSTS!!!**

I speak English, German and Russian.
